INSTALLATION

5 DIFFERENTS MODULES

IL NUOVO SOFFIONE componibile che trasforma ogni bagno in una vera e propria SPA

Cinque diversi moduli: Cascata, Nebulizzante, Rain con e senza Cromoterapia ed Entertainment con luci e musica.

I cinque moduli possono essere installati uno di fianco all'altro, collegandoli sia sul lato lungo sia sul lato corto, personalizzando l'installazione in base alle dimensioni della propria doccia.

THE NEW MODULAR SHOWER HEAD TURNING ANY BATHROOM INTO A REAL SPA

5 different modules: Cascade, Mist, Rain with and without Chromotherapy and Entertainment with lights and music.

The five modules can be installed one close to another, connecting them both on the long side or on the short side, customizing the installation based on the size of your shower.
