Benefits at a glance

★★★★ Premium quality
Known for high reliability and durability, Geberit products ensures safe and trouble-free functions.

60 Million Proven Technology
Experience gained from installation of more than 60 million cisterns go into Geberit products.

Space saving
The placement of a wall-hung WC and concealed cistern opens up space in the bathroom, giving you a generous feeling of space.

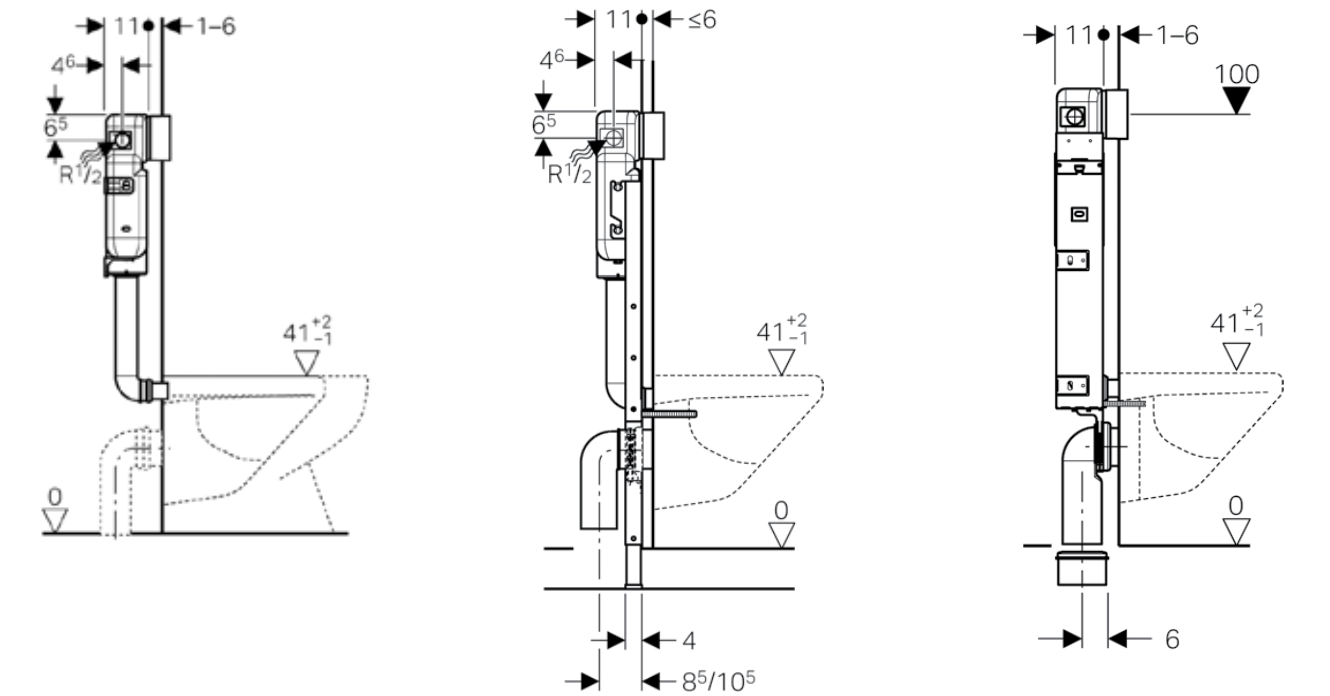

Modern design
Trend-setting designed actuator plates upgrades your bathroom while a concealed cistern keeps all connections out of sight, providing a clean finish to your bathroom.

400 kg Strength and stability
The stable and strong frame is able to bear weight up to 400kg.

Easy maintenance
No hacking or drilling is required for maintenance.

Easy cleaning
Fewer edges, joints and corners, means simpler cleaning and a more hygienic bathroom.

4.5L Water saving
Water consumption is sustainably reduced with Geberit dual flush.
