

## UK Immigration History Form

This form is intended for students who will require a Tier 4 visa to study in the UK. If you hold a UK or EEA passport or have another type of permission that would enable you to study in the UK, you do not need to complete this form, but instead, please send us copies of your visa(s) and passport. Please note: *You cannot register onto a course at City, University of London using a Tier 4 visa sponsored by a different institution.*

Before we can offer you a place at City, we first need to ensure you are eligible for Tier 4 sponsorship. We need this information to check your proposed course of study against:

1. UKVI rules on study time limits
2. UKVI rules on academic progression

When completing the form, please ensure that you include **all study periods in the UK**, including English language and short courses as well as courses not completed. **When returning this form, please send us a scan of all your visa(s) and passport.**
